## PRESS RELEASE

**FOR IMMEDIATE RELEASE: 04/03/2009**

### **Spartan Duplicator announces DUO series SATA duplicators**

Spartan Duplicator introduces Spartan "DUO" SATA BD/DVD/CD duplicators with One-Touch USB copy & user-programmable SmartKeys.

**City of Industry, CA, April 03, 2009** – Spartan Duplicator ([www.Spartan-Duplicator.com](http://www.Spartan-Duplicator.com)) today introduces Spartan DUO series SATA-interface Blu-ray/DVD/CD duplicators. DUO features proven disc duplication technology, One-Touch USB-to-Disc duplication and two SmartKeys allowing users to create personalized shortcuts for certain frequently used duplication functions, saving both time and effort.

Media duplicators offer individual or business an easy and reliable platform to deliver time-sensitive contents to the market quickly and cost-effectively. Optical media is ideal for storing valuable information such as photos and digitized documents for easy distribution and storage. It is less expensive, requires no power to run or maintain and has very long lifecycle with little or no maintenance. Spartan duplicators operate without PC so there is no expensive hardware and software to buy.

"Spartan DUO duplicators combine the best-selling Blu-ray Disc/DVD/CD duplication technology with exclusive bonus features such as One-Touch USB quick copy and user-programmable SmartKeys. Easy-to-use menu options are accessible from the uniquely designed 7-button control panel. Proven SATA interface design offers advantages such as faster transfer rate, more reliable error checking and improved airflow over IDE." says Cedric Tan, Vice President of Sales and Marketing. "Our customers can perform Disc-to-Disc and USB-to-Disc duplications with Spartan DUO duplicators saving precious time and valuable resources that that are critical in this challenging time."

Potential markets for the Spartan DUO series duplicators include: entertainment, government, education and SMB. Spartan DUO duplicators are available from 1 through 7-target configurations at launch.
